Agenda Item: FY2023-24
LAMTD Monthly Financial Statement
For the period ending October 31, 2023

Presenter: Mark Biddinger, Chief Financial Officer

Recommended
Action: None

Summary: The Interim Financial Statement covers a period of less than one year. The report is used to convey the performance of the district's financial position and budget comparisons – budget to actual on a year-to-date basis. Unlike annual financial statements, Interim Statements do not have to be audited.

Interim financial statements increase communication between the District Board of Directors, management, and the public to provide up-to-date financial information and compliance with the budget.

Surplus/(Deficit)	\$0	\$0		(\$692,439)	

Revenue Highlights:

Ad valorem taxes: The majority of receipts will be recognized in December 2023 (~ 82%) with the remainder coming in monthly for the rest of the fiscal year.

The billing cycles for the FTA and FDOT grants have not yet started. These grants are paid out retrospectively after expenses are incurred each quarter.

Interest Income on invested funds is ahead of budget.

Expense highlights

Overall expenses are below budget. Individual expense lines vary due to the cyclical nature of operations compared to a linear budget (budgets are reported on a 1/12th basis).

CASH POSITION:

As of October 31, 2023, there was ~ 158 days (5.1 months) of operating cash on hand.

As of November 30, 2023, there was ~ 168 days (5.5 months) of operating cash on hand.

CHANGE IN FINANCIAL POSITION

Based on the year-to-date budget-to-actual variances through October 31st, the financials reflect an unfavorable variance of \$692k with 8.3% of the fiscal year completed.

f. ITS Equipment Upgrade – Avail Technologies, Inc.

The District was awarded FTA 5339 funding to upgrade its antiquated ITS System (Intelligent Transit System), with Phase-I currently provided by Avail Technologies, Inc. The current provider was found to be the most advantageous to the District, for this project. The system was formally competed and is readily available under the FDOT/CUTR Transit Research Inspection Procurement Services (TRIPS) Contract, allowing the District to streamline the procurement and implementation process.

Though still under negotiation, all Federal requirements have been met. The anticipated cost is estimated \$1,126,076.53, for which we seek approval of a Not to Exceed amount of \$1,130,000, for this phase.

Phase II of this project will address the antiquated fare collection app, currently provided by Masabi. The estimated cost for this part of the project is \$500,000 and pending funding. Procurement shall bring this to the Board at the appropriate time.

g. IT Management Services

The District has historically utilized various grant and local funding for its IT Management Services, previously provided by AllTek Services. With the expiration of that contract, District sought alternate providers, finding the firm of Resultant LLC to be the most advantageous and cost effective. The IT Management Services, were also found to be available under the Federal General Services Administration (GSA) Contract # 54151S – 47QTCA19D004L, allowing the District to streamline the procurement process.
