

Dear Parent / Guardian,

The COLTS Program is a way for your high school student to have transportation independence at not cost o you or them. They can get to and from school, as well as getting home from an after school activity or learning opportunity. They can catch a movie or to go to the mall. COLTS is a partnership between the Polk County School Board and Citrus Connection. This program will provide free ridership on all Citrus Connection Buses for participating students, Monday through Saturday.

Your student will show their high school ID card to the bus operator and he or she will be good to go. It's easy and it's free.

For more route information, or to map out routes, go to www.ridecitrus.com. For detailed route information in the palm of your hand including schedules, trip planning and travel distance, download the **MyStop** Mobile App on your smartphone. You can select where you want to go, the walking distance to the bus stop, transfers and times for pickup and drop off.

Public transportation provides a flexible, safe alternative to traveling by car. Your student may not ride the bus without their school ID badge.

Please indicate below, your desire for your student to participate. This participation form must be signed by you, and returned to your student's school, in order for him/her to participate in this program.

_____	_____
Student Name	ID Number
_____ Will participate	_____ Will not participate
_____	_____
Parent/Guardian Signature	Date
