

Dear Parent / Guardian,

The COLTS Program is a way for your high school student to get to and from school, as well as to their home from an after school activity or learning opportunity, to catch a movie or to go to the mall. COLTS is a partnership between the Polk County School Board and Citrus Connection. This program will provide free ridership of all Citrus Connectoin Buses for participating students, Monday through Friday.

Your student will present their high school ID card, with the new Polk Transit Authority tomahawk shaped punch (three punches for this year) and he or she will be good to go. It's easy and it's free.

For more information, or to map out routes and hotspots, go to [www.ridecitrus.com](http://www.ridecitrus.com).

Public transportation provides a flexible, safe alternative to traveling by car. Your student may not ride the bus without their school ID badge. Please schedule your trip accordingly.

Please indicate below, your desire for your student to participate. This participation form must be signed by you, and returned to your student's school, in order for him/her to participate in this program.
