Re: RFQu 12-006 Miscellaneous Architectural & Engineering Services

Dear Offeror,

LAMTD has completed its review of the offers received in reference to the above solicitation and in accordance with the published selection criteria; along with some consideration given to the District's projected budget and its ability to fund future projects. This rendered a decision by the District's Source Evaluation Committee (SEC) to short list the top five (5) offerors and to initiate negotiations with the intent to accept two (2) firms into the A&E Pool.

As indicated in the below chart, the offers submitted by the firms Lunz Prebor Fowler Architects and Furr & Wegman Architects, P.A. ranked highest technically and may enter into negotiations with the District. Should those negotiations fail; the next highest ranked firm(s) will be contacted until two (2) firms have been accepted into the A&E pool.

<b>TECHNICAL SUMMARY &amp; RANKING</b>		
<b>Offeror</b>	<b>TECHNICAL POINTS RECEIVED</b> (100 possible points)	<b>RANKING</b>
Lunz Prebor Fowler Architects	93.60	1
Furr & Wegman Architects, P.A.	92.00	2
Bentley Architects & Engineers, Inc.	86.20	3
Wallis Murphey Boyington Architects, Inc.	86.00	4
Straughn Trout Architects, LLC.	85.40	5
Sheets & Associates, P.A.	68.60	6
Cornelison Engineering & Design, Inc.	59.00	7

We appreciate the time and effort spent in the preparation of your offer and your continued interest in the Lakeland Area Mass Transit District.
